The RAeS Hamburg in cooperation with the DGLR, VDI & HAW invites you to a lecture

Second Annual Gerhard Sedlmayr Lecture Safety Priorities in Helicopter Flight Test & Operation

Andrew Warner FRAeS, Chief Test Pilot, Airbus Helicopters

Date: Wednesday 15 July, 19:00 (coffee available from 18:30)

Location: Airbus Conference Center (ACC),

Main Entrance / Osttor, Airbus, Kreetzslag 10, 21129 Hamburg

Taking examples from particular helicopter programmes Andrew Warner will describe the most significant risks in helicopter flight test and operation and how to tackle them effectively and with the right priorities.

Andrew Warner served in the British Army Air Corps after graduating from Oxford University. He attended the Empire Test Pilots School and then worked at the Royal Aircraft Establishment Farnborough. In 1986 he joined MBB as Tiger program pilot and performed the first flight in France in 1991. Since then he has been Chief Test Pilot of Eurocopter Deutschland, Eurocopter France and now of the Airbus Helicopters Group in which role he is responsible for over 200 aircrew worldwide. He has flown over 70 types of aircraft including 25 as captain. He is Fellow of the Royal Aeronautical Society, the Society of Experimental Test Pilots and the Académie de l'Air et de l'Espace.

The lecture will be followed by refreshments.

Important. Please could **all people** who wish to attend email susanne.altstaedt@airbus.com or telephone 040 743 72170 before **14:00 on Thursday, 9 July** to register.

If you do not hold an Airbus security pass we will not be able to process any pass requests received after this deadline.

On arrival at the Airbus Reception, non-Airbus visitors will be required to show a passport or identity card. Failure to register or produce the required identity will mean that you cannot enter Airbus.
